INTRODUCTION

Winmate Panel Mount Display (PCAP Touch) Series provides a versatile and durable solution for industrial and outdoor applications. With sizes ranging from 7" to 24", these sunlight-readable displays feature high brightness for excellent visibility and projected capacitive (PCAP) touch for seamless user interaction. Built with front IP65 protection and optional UV film for solar radiation, they withstand harsh environments. Operating in temperatures as low as -25°C with optional heater solutions, they are ideal for demanding settings like kiosks, automation, and outdoor displays.
